

## TALENTS AND SKILLS

At MVUU, we often talk about making a commitment of time, talent and treasure. During this season of stewardship, we ask you not just for financial support, but also for a commitment to share your talents with our mission and vision. In that spirit, let us get to know the unique talents and gifts you have. By helping us get to know these gifts of yours, we can better identify opportunities for sharing those gifts with others through our covenantal promise to live our principles. We have included some areas where you can let us know your particular skills and your willingness to share those skills as your time permits in support of our MVUU mission. Place a check next to those talents and skills you have and indicate your willingness to share them when opportunities arise. Feel free to add your comments as desired. Also, if you are currently doing volunteer work with an organization beyond MVUU, please indicate below the name of the organization and the approximate number of hours per month that you are volunteering.
